

BARRICADE
CONSTRUCTION SEALANT™

POLYETHER DOOR & WINDOW CAULK

Barricade® Construction Sealant™ is a single-component, solvent-free Silyl Modified Polyether hybrid caulk formulated to work in conjunction with Barricade Flash Right™ flashing tape. When you need a flexible and waterproof (when cured) caulk to seal window and door framework as well as expansion and control joints, Construction Sealant is the right choice.

Professionals know it is the finishing touches that differentiate a job from a job well done. With Barricade Construction Sealant, all of your jobs will finish with the high-quality performance you expect from Barricade.

KEY FEATURES

- Meets ASTM C920, Class 50
- Permanently flexible
- Quick paint-over time
- No water washout
